

Here We Grow Again!

Thanks to a generous donation from The Westminster Foundation and donations from residents which were matched by the Foundation, **Westminster Village North** will soon begin building a new Social Hall to meet the growing needs of our residents. This new building will be a place for residents and the community at large, to gather for celebrations, social activities, and educational opportunities. It will also free up current space for valuable wellness activities. With hope of opening the doors in late 2020, the Foundation has begun the second phase of fundraising to help furnish the Social Hall, install state-of-the-art sound and hearing loop systems, upgrade kitchen appliances, and plant beautiful gardens around the building. We hope you will help us in this endeavor.

Individual Donors

Donors of \$1,000 or more will be listed on a plaque in the Social Hall. Donations made in honor or memory of someone may be recognized as well.
