Subject: New Marion County Public Health Order

Greetings Marion County LTC & ALS,

Dr. Virginia Caine has updated the Public Health order for Marion County. The new order **as it pertains to LTC/AL visitation** is now in effect, and was shared during Mayor Hogsett and Dr. Caine's virtual press conference yesterday afternoon. The published version is not yet available on the MCPHD website, but here's what was shared pertaining to LTC/AL indoor visitation:

To allow for indoor visitation, there needs to be either a negative COVID-19 test within 72 hours prior to the visit, OR a completed COVID-19 vaccine (including 14 days after the last dose), OR natural immunity due to COVID-19 diagnosis in past 90 days.

You will find the Public Health Order, once published, here: <http://marionhealth.org/homeslider/latest-on-coronavirus/>.

Take care – stay safe and warm!

Shawn
